Northwest Specialty Care Doc Talk

Join us as we welcome Northwest Healthcare in their summer series of Doc Talks. The doctors that will be hosting the talks are all based at our local Northwest Healthcare facility on Houghton Road. This month, welcome Dr. Antony Denard, Orthopedic Surgeon.

"I was born with the desire to fix broken things. Growing up in the developing nation of Haiti, I was drawn to practicing medicine because I saw such a deep need for good doctors. People around me could become suddenly ill or traumatically injured and have to wait hours or days for treatment and I wanted to become the person who could provide it, wherever my path took me as an adult.

Today, as an orthopedic surgeon in the American Southwest, my goal remains the same: to fix broken things in the human body. I specialize in general orthopedics, fracture care, adult joint reconstruction and replacement and sports-related injuries. My journey is defined by resilience, and my passion is to deliver exceptional care. "

Pastor's Corner

Can you believe it's April already! Where has the Winter Season Gone?

I know that many of you are anxious to head "home" as the time for planting gardens and caring for lawns is rapidly approaching. However, as long as you're here, I hope you'll join us full-timers in worshiping at the Voyager Community Chapel each Sunday.

In April we will hold the following services:

- ♦ On April 6th our "Traditional" service will meet as usual at 9:30am;
- ♦ On Palm Sunday, April 13th we will also hold our "Traditional" celebration of Christ's Triumphant Entry into Jerusalem at 9:30am;
- ♦ On Holy Thursday, April 17th we will feature Christ's final week in Scripture and music at 7:00pm;
- ♦ Then we will celebrate our risen Lord on Easter Sunday, April 20, at 9:30am.

Whether you are a visitor, winter resident, or full-timer, we hope you will join us to worship God this Sunday!

May the love and protection of our Lord go with you as you travel this summer. And, may you safely return to the welcoming community of the Voyager Resort next season.

Blessings,

Pastor David Pace

Are you living alone, ill, injured, or fragile and would appreciate a FREE daily check for health and safety? If the answer is yes, the Community Care Program can meet that need. As a participant, you are given a set of cards illustrating days of the week. It will be your responsibility to display the correct day in your window before 10 AM each morning. Volunteers will check each day; if the display is correct, they will continue on their way. If not, you will receive a knock on your door, a phone call, or other necessary efforts to confirm your health or safety is not in danger. If you need this service or if you would like to sign up as a Community Care volunteer, please contact, Ann Ruelle (520)406-2560 or Judy Williamson (520)730-2917.

VOYAGER DISPATCH

APRIL 2025

MONTHLY COURTESY PATROL NEWS

With the onset of Spring and Summer Voyager says bon voyage to some of the residents as they set off to their next destination.

There are many things to think about at this time, and preparing your Voyager home for your return is probably at the top of the list. Here are a few tips for you to consider:

- ♦ **Keep It Cool:** With temperatures soaring, keeping your home's interior cool and comfortable is crucial. Close blinds or curtains and consider installing sheltering or shade sails to reduce heat gain.
- ♦ **Pest Control:** Summer is prime time for pesky critters like ants, mosquitoes, and flies. Keep them away by sealing cracks and crevices, storing food properly, and maintaining a tidy outdoor space. Consider using natural repellents.
- ♦ **Outdoor Care:** Ensure that the outside of your Park Model is taken care of while you are away and have weeds pulled and plants maintained. The rains of summer bring the weeds!!
- ♦ **Exterior Inspection:** Inspect your park model's exterior for any signs of damage or wear and tear, such as loose siding, cracked windows, or damaged roofing. Remember, the Summer months bring monsoon rain and high winds.
- ♦ **Clean Gutters and Downspouts:** Winter debris and leaves can clog your gutters, leading to water damage and potential leaks. Grab a ladder and clear out any debris, ensuring proper drainage away from your home's foundation.
- ♦ **Deck Maintenance:** If your park model home has a deck, now's the time to give it some TLC. Sweep away debris, inspect for any loose boards or nails, and apply a fresh coat of sealant to protect against moisture and UV damage.
- ♦ **Drain all water:** Open all faucets and the shower, letting the water drain completely.
- ♦ **Drain the water heater:** Open the water heater drain valve and allow all water to drain.
- ♦ **Disconnect the power:** Turn off the main breaker panel and disconnect any external power cords.
- ♦ **Unplug appliances:** Unplug all electrical appliances.

Safe Travels!!

The Registration Office is excited to announce the Voyager, Bay and Crossing badge-making hours. You can now renew your badges on Tuesdays & Thursdays from 10AM-12PM. Our team is happy to create your badges on the spot, making the process quick and convenient. We look forward to seeing you!
