Thank you!

What fun we have had with you this summer! Our summers together keep getting better and better. We danced together, we watched great movies together, we walked together and we certainly ate together. We golfed together and even had some Hole in Ones! Thank you so much to our summer friends for taking part in our activities and for always having smiles on your faces despite the triple digit temperatures. Let's make next summer even better. Start thinking of new adventures that we can have together!

VOYAGER DISPATCH

FROM THE DESK OF:

DALLAS T. MERRILL, COURTESY PATROL SUPERVISOR
SEPTEMBER 2024

Greetings Voyager and Bay Communities,

I am writing to you today with a heavy heart. I have made an extremely hard decision but the right decision for myself. I have personal issues I must address.

I am informing you that I am leaving my position of Courtesy Patrol Manager for Voyager after 3 years and 6 months. My final working day will be on October 2, 2024.

I wanted to personally let you know how much I have enjoyed working together and getting to know so many of you in the community. Residents such as yourselves were one of the best parts of the job, and I am sure my successor will continue the positive working relationship with all of you that I was able to gain.

My last request for all of you is to continue to look out for one another and to be safe out there.

Wishing you well for the future,

Dallas T. Merrill
