VOYAGER DISPATCH

Community Safety and Reminders

At Voyager RV Resort & Hotel, the safety and well-being of our residents, guests, visitors, and team members is very important to us. We have implemented new measures to enhance community safety and increase awareness of activity throughout the property, while also asking everyone to do their part.

Courtesy Patrol: Their role at Voyager

Courtesy Patrol is provided 365 days a year, 24 hours a day to monitor the community, protect Voyager facilities and property, and help ensure our Rules & Regulations are being followed.

Courtesy Patrol is not a security or law-enforcement service. Their role is to observe, monitor, and report, not to place themselves in harm's way. If you are experiencing an emergency or believe you are in immediate danger, call 911 first. Courtesy Patrol can contact emergency services when appropriate.

New Measures We Have Implemented

To strengthen our community monitoring, Voyager has implemented additional measures, including:

- Monitoring vehicles entering the community. Visitors without a Voyager resident sticker are asked where they are going.
- Recording visitor information when appropriate, including name, site number, license plate number, and time of entry, as well as departure time when applicable.
- Providing daily passes for individuals using our public amenities.
- Making every effort to keep the entrance gate arm down. It may remain open for emergency personnel, heavy traffic, operational needs, or other circumstances.
- Continuing daily Courtesy Patrols throughout the property.

These measures provide an additional layer of monitoring, but they do not replace personal safety precautions or emergency services.

Guests & Sublessees

- Make sure your guests are properly registered with the Registration Office.
- Sublessees are required to be registered with the Voyager Office **BEFORE** staying on property.

Remember: Voyager Is Open to Visitors

Voyager is home to public businesses and amenities, including Desert Clipper, Fat Willy's, the Voyager Hotel, golf course, physical therapy, and the clinic. Residents also have family, friends, grandchildren, and other guests visiting throughout the year. Voyager does host Pickleball tournaments, Marketdaze, yard sales etc for the public.

Because of this, not everyone you see on property will be a Voyager resident. Please remain aware of your surroundings and report concerns appropriately. We ask that you kindly refrain from approaching guests and calling patrol instead. As a reminder we ask that all residents wear their resident badges while on property. You can obtain a resident badge at the registration office if you do not have one.

Protect Your Personal Property

Residents are responsible for taking reasonable precautions to protect themselves and their belongings.

Please remember to:

- Lock vehicles and take your keys with you.
- Never leave keys in an unattended vehicle or golf cart.
- Lock bicycles, sheds, doors, and windows.
- Avoid leaving valuables visible.
- Report suspicious or concerning activity promptly to courtesy patrol or call 911.

Leaving for the Summer?

Residents who leave their homes for the summer are required to have a Summer Care Provider. Your provider is responsible for helping ensure your home remains in compliance with Voyager's Rules & Regulations and that your property is maintained, secured, and cared for while you are away including trash, weeds, doors, windows, vehicles, golf carts, and other personal property.

A list of recommended Summer Care Providers is available in the Registration Office. Please avoid advertising that your home is vacant by displaying signs or notes such as "Gone for the Summer" or listing specific travel dates.

Thank you for helping us keep Voyager a safe, welcoming, and enjoyable community for everyone.

**If you see something concerning, report it.
If you are in immediate danger, call 911.**
