VOYAGER DISPATCH

FROM THE DESK OF:

DALLAS T. MERRILL, COURTESY PATROL SUPERVISOR

AUGUST 2024

GATE CODES, CLICKERS AND CARDS

Residents are asked to maintain the integrity of the gate security system by not giving and/or loaning their card or automatic clicker to anyone outside of Voyager, including family, friends, and contractors. Residents are not given the monthly access code for the same reasons above.

BADGES

Name badges are always required while using Resort facilities and must be worn by all residents, sublessees, guests, and visitors to all activities and during use of all amenities. Badges are issued by the Registration Office during office hours. For security reasons, anyone in the Resort without a badge at any time will be asked to display their badge and/or provide identification. Anyone without a badge or a valid form of identification will be required to leave the Resort and/or Resort Facilities. Voyager charges a fee to replace any lost, stolen, or damaged badges. Just because an individual has acquired a badge does not mean that the person has been approved for residency in the Resort.

POOL PATROLS

We will be performing random walks through the pool areas. If you do not have your badge accessible to identify yourself, you will be required to go to your home, casita or hotel room and get it. This is the only means to identify individuals who come to the resort on false pretenses and come to the pools.

MOTORCYCLES, ATV, ETC

All motorcycles, ATVs, and all other off-road and on-road vehicles need to be registered with Registration and a parking permit placed on the vehicle.

STOPPING AT THE GATE

It is posted on the ground and on the gate to Stop. If the bar is up residents are still required to stop. If the bar is down, residents do not have the discretion to go around it. If the officer staffing the gate directs you to go through the gate without stopping, do so. Otherwise, always prepare to stop.
