VOYAGER DISPATCH

COURTESY PATROL DEPARTMENT

Arizona's monsoon season can bring heavy rain, strong winds, blowing dust and lightning with little warning. This month, we would like to give you some monsoon safety reminders.

- When thunder roars, stay indoors.
- Secure patio furniture and loose outdoor items before storms arrive.
- Avoid driving through flooded streets or washes.
- Expect the unexpected. Have extra supplies, including a fully charged cell phone, drinking water and an emergency kit.
- Check the weather forecast before leaving for an extended period of time.
- If you are driving, use the motto, *when in doubt, wait it out!* If you see a dust storm or heavy rain ahead, it's best to exit and wait for the storm to move through the area. Get to a safe area as far off the roadway as possible.

Your safety is our top priority. Our Ballroom is always available during monsoon season for those who seek shelter to wait out the storm. If it is after hours, please don't hesitate to contact our Courtesy Patrol team at 520-574-5400 and they will unlock the Ballroom.

Although these steps seem obvious, it is always good to be reminded on monsoon safety.

Be safe and stay dry.
