JANUARY EVENTS

General Manager's Corner

Thanks to the entire community for the warm welcome I have received since my late November start date as General Manager. I have been impressed with how the staff and the residents come together to make Voyager an amazing community.

I wanted to reiterate to all of you what I have said at the meetings I have attended so far: that I will be a visible and engaged part of the community. I will attend at least one Coffee and Donuts each month and I will attend activities and meet clubs throughout each month. I will, of course, balance this time with the time I need to do my office tasks. I encourage you also to say hello if you see me out and about in the community.

In addition to these interactions, I am offering office hours each Wednesday afternoon where you can schedule time to meet with me privately. The front desk staff will be able to make these appointments. If times fill up and items are urgent so that they can't wait until the following week, the team will let me know and we will work with you to get a time set up sooner.

I look forward to a happy and healthy 2026 with Voyager!

Rich Howell, General Manager

Come along to the Ballroom and let us fill up your cup with some hot coffee while you enjoy a free donut! The Activity Office will be your hosts for coffee mornings. Just bring your empty cup, your appetite and your smiles for an awesome morning with the Activity Office and your Voyager friends. Our coffee & donut mornings are made possible thanks to local businesses who not only provide the tasty treats, but also share information about their services. **Out of respect for our sponsors, we ask that you don't just swing by for a donut and leave but that you stay for their short presentation.** It means a lot to them and it helps keep this fun tradition going strong with new sponsors!

Our seminars, workshops, and special classes are some of the most popular experiences we offer. They're designed to inform, inspire, and bring our community together in meaningful ways. Because of the popularity, many of these events have limited seating and often fill up faster than expected.

Early sign up allows our presenters and organizers to better prepare materials, seating, and supplies. If you have to cancel, especially for our classes, please let us know straight away, so we can pass that on to our instructors.

We encourage you to keep an eye on the Activity Office sign-up board as we are always adding fun events and classes!

PASTOR'S CORNER

JANUARY 2026: A NEW YEAR!

THE PERFECT TIME TO START SOMETHING NEW!

2025 is now in the rearview mirror, so it's the perfect time to start something new. Perhaps you are new to the Voyager. If so, we're glad you're here! A new community of friends and activities is just outside your door. Or maybe you've finally made your way back "home" to the Voyager after the Holiday season; if so, Welcome Home!

Whatever it is that you're filling your New Year calendar with, I hope you'll add worshipping with the Voyager Chapel to your Sunday schedule each week. The Chapel's nondenominational "Traditional" services are held each Sunday at 9:00 am; and the "Contemporary" services are held at 11:00 am.

Also starting January 11, the Sunday morning messages will be coordinating with the men's and women's Bible studies as we look into "Faith That Works – A Study of the Book of James."

Women's Bible Study meets for its opening session on Friday, January 9 at 9:30 AM.

Men's Bible Study meets for its opening session on Thursday, January 8 at 8:00 AM.

Evening Bible Study, which is open to all, will also hold its first session Thursday January 8 at 7:00 PM.

Then, on Sunday January 18, we will be celebrating Voyager Chapel's 40th Anniversary. Come worship with us as we reflect on the Chapel's history and 40 years of service to the Voyager Resort and the City of Tucson; January 1986 – January 2026.

Please join us each Sunday, at 9:00 or 11:00 am, as we worship God here in the Arizona desert; and during the week for life-enriching Bible study opportunities.

Blessings, Pastor David

2025 was our 28th year working with the Salvation Army on their Toy/Book Drive. I want to give a big THANK YOU to everyone who participated in the Toy Drive; all the donors of toys/books/money, workers in the warehouse who got us ready for distribution and decorate the facility; those who helped distribute the toys to our clients, and those that made treats for our hungry volunteers. It takes well over a month to prepare for the event and requires a large number of wonderful volunteers to make this event possible.

We served approximately 1400 families, representing over 4200 children who had a wonderful Christmas due to your generosity. There were many smiles, some tears of joy, and blessings given to us from the parents during the distribution. None of this could happen without all the support given by the generous Voyager Community. We will continue collecting toys/books/wrapping paper until January 15, 2026 for anyone that wants to take advantage of the huge after holiday sales. Any toys we get will give us a head start on the 2026 Toy Drive. Thank you again for all your support.

Gail Bill, Volunteer Captain

Days: Tues, Jan 6, Feb 3 Mar 3 Time: 3 PM

JANUARY DISPATCH

Monthly Courtesy Patrol News from the desk of
Dallas Merrill, Courtesy Patrol Supervisor

As we welcome everyone back to our resort, we'd like to take a moment to remind residents and guests about the importance of being courteous in our shared spaces. Small actions go a long way in keeping our community safe, welcoming, and enjoyable for everyone.

Please remember to put things back where they belong and clean up after yourself. In the fitness center, for example, wiping down equipment after use helps keep the space clean and hygienic for the next person. In our meeting and activity rooms, returning tables and chairs to their proper places ensures that the space is ready for everyone to enjoy.

Shared spaces like the library, fitness center, and activity rooms thrive when everyone takes responsibility for their part. Little things, such as not leaving personal items behind, handling equipment carefully, and respecting posted guidelines, help create a smooth, pleasant experience for all residents and guests.

Thank you for helping us maintain a welcoming and well-kept environment. Your thoughtfulness and cooperation make a big difference in keeping our resort a place where everyone feels at home.

Happy New Year!

Dallas

Been Told Nothing Can Be Done Peripheral Neuropathy?

Harold

Me Too! They Were Wrong!

Let me tell you my story: I suffered with neuropathy for over 8 years, tried a lot of different things, been on different medications and it kept getting worse.

When we got down here from Michigan this past fall, my neighbor who has suffered with neuropathy for years walked across the street to welcome us back.

The amazing thing was, she walked over without her walker. I had never seen her without her walker. I asked her what she had done, and she walked back to her house and came back with a card for the doctor she had seen after we left last year.

I gave his office a call to make an appointment, it was on a Thursday, his office was closed, but the doctor answered the phone. He explained he would like me to attend one of his free workshops before coming in, it would answer all questions and if I still wanted to come in, I could make an appointment then. His workshop was informative, he explained things unlike any doctor I had seen up to that time, how neuropathy started, what is done for most people, why he does what he does. I was mostly impressed that he was straight forward, told the pros and cons. I'll bet 85 to 90 percent of the other patients I talked to in his office were getting good results, like I did. My pain decreased by at least 50% in the first 3 weeks. I would highly recommend anyone with peripheral neuropathy, go to this workshop, I know you will be glad you did.
