Community Connections

COMMUNITY CARES PROGRAM

Living alone, recovering from an illness or injury, or just feeling a little more fragile these days? The Community Cares Program is here to give you peace of mind with a FREE daily check for your health and safety.

Here's how it works: when you join, you'll receive a set of cards for the days of the week. Each morning before 10 AM, simply pop the right card in your window. Our friendly volunteers will stroll by to make sure all is well. If your card is up, great! They'll tip their hat and carry on. If it's missing or hasn't changed from the previous day, you'll get a friendly knock, a phone call, or whatever is needed to be sure you're safe.

It's simple, caring, and a wonderful way to stay connected to your Voyager neighbors. Want to help out? Sign up as a Community Cares volunteer with Ann Ruelle (520)406-2560 or Judy Williamson (520)730-2917.

NEIGHBOR TO NEIGHBOR

Need a little extra help now and then? The Resident-led Neighbor to Neighbor Program is here to support residents of Voyager, Bay, Crossing, and Cove by keeping everyone independent, connected, and thriving.

From rides to appointments and social events, to help with errands, weekly visits, or even short-term caregiver relief, our volunteers are ready to step in. We can also assist with light home repairs, computer and TV troubleshooting, trash help, and even pet care (yes, including dog walking!).

Backed by Pima County on Aging, Neighbor to Neighbor is fueled by community spirit, and always looking for more volunteers, especially drivers. Whether you'd like a helping hand or want to lend one, call Jennifer or Lori at (520) 474-0596. Together, we make Voyager stronger, and more connected!

Eligible referral reward is paid after transaction closes and prospective resident moves into the community. Only one referral reward will be given for each referral.

Offer expires on December 31, 2025. Valid only at participating communities. Employees of MHC Property Management, L.P. and its affiliates are excluded from this promotion. Home details apply to specific homes only. Prices, specifications, layout and model availability subject to change without notice. All sizes are approximate. Rewards are paid in the form of a Virtual Visa® Reward, except for homes in Arizona, for which a one-time rent credit or rent reduction will be given to the existing resident for each qualifying referral. In Arizona, existing residents can only receive a reward for referring potential buyers to the community in which the existing resident resides when the referral is made, and for home purchases, are limited to not more than one (1) reward per calendar year. Arizona residents making referrals for a home purchase will be required to sign a disclosure before receiving the reward. Further, in Arizona, existing residents can only receive a reward for referring prospective renters to the community in

which the existing resident resides when the referral is made, and the existing resident can only receive five rewards per year for a referral who rents a home owned by MHC Property Management, L.P. or an affiliate, which home must be located in the community in which the resident resides.

All local, state and federal income taxes are the responsibility of the recipient. Accordingly, we recommend that all participants consult a tax advisor about reporting rewards for tax purposes. We will issue the required 1099 to each recipient and to the IRS when the total cash payments and value of all rewards you are eligible to receive equal or exceed \$600.00 for one year.

The Virtual Visa® Reward will be sent via email to the email address provided. The Virtual Visa® Reward will come from reward@virtualrewardcenter.com. The Virtual Visa® Reward can be used to buy what you want, when you want it. Because it is so flexible and convenient, the Virtual Visa® Reward makes it easy to treat yourself to something special or to help cover your everyday expenses. The decision is yours. The virtual reward is issued by Sutton Bank, member FDIC, pursuant to a license from Visa U.S.A. Inc. and can be used wherever Visa Debit cards are accepted. Terms and conditions apply.

Your Virtual Visa® Reward may not be used outside of the U.S. and District of Columbia, nor may it be used with merchants located outside of the U.S. and District of Columbia for online, mail or telephone orders. Any purchases made with the Virtual Visa® Reward must only be in U.S. currency.

**Been Told There Is Nothing
That Can Be Done for
Neuropathy? Me Too!**

Successfully Treating
Neuropathy since 2008

Let me tell you my story: I suffered with neuropathy for over 8 years, tried a lot of different things, on different medications and it kept getting worse. When we got down here from Michigan this past fall, my neighbor, who has suffered with neuropathy for years walked across the street to welcome us back. **The amazing thing was, she walked over without her walker.** I asked her what she had done, and she walked back to her house and came back with a card for the doctor she had seen after we left last year. I gave his office a call to make an appointment, it was on a Thursday, his office was closed, but the doctor answered the phone. He explained he would like me to attend one of his free workshops before coming in, it would answer all questions and if I still wanted to come in, I could make an appointment then. His workshop was informative, he explained things unlike any doctor I had seen up to that time, how neuropathy started, what is done for most people, why he does what he does. I was mostly impressed that he was straight forward, told the pros and cons. I'll bet 85 to 90 percent of the other patients I talked to in his office were getting good results, like I did. My pain decreased by at least 50% in the first 3 weeks. I would highly recommend anyone with peripheral neuropathy, go to this workshop, I know you will be glad you did.
