NEWSLETTER

A New Way to Pick Up Your Compass Newsletter!

As we gear up for another exciting season, we're making a few updates to how our monthly Compass newsletter is distributed.

Beginning with our October issue, printed newsletters will be available for pickup at Registration and the Activity Office. We will no longer be stocking newsletters in the community mailbox areas, to include the Bay and the Cove.

Of course, the easiest way to enjoy the newsletter is online. Each issue will be posted on the Voyager website, where you can view it anytime from your computer, tablet, or phone. It's a great way to stay up to date and never miss the latest events, activities, or announcements.

To help ensure every household has the opportunity to receive a printed copy, we kindly ask that you please take just one newsletter per household. Many of our residents enjoy having a printed copy, and your consideration helps us make sure there's enough for everyone.

Thank you for understanding and for helping us make this a successful season. We can't wait to see you around the resort.

Voyager Management

WELCOME MADISON!

Hello, Voyager friends!

If we haven't had the chance to meet yet, my name is Madison Marshall, and I am so excited to introduce myself as your new Operations Manager here at Voyager! For those of you who may recognize me from the Front Desk or around the resort, Voyager has been a very special part of my life for nearly four years. I started my Voyager journey at the Front Desk and have had the opportunity to grow into the Guest Services Manager role, and now I am incredibly grateful for the opportunity to continue that journey as Operations Manager.

I was born and raised right here in Tucson, Arizona, so I guess you could say I'm a Tucsonan through and through! I absolutely love our beautiful desert, our incredible sunsets, and especially our monsoons!

One of my favorite things about Voyager has always been the people. Getting to know our residents, hearing your stories, sharing a laugh, and being part of this wonderful community is truly what makes coming to work so special. I hope you'll always feel comfortable stopping by to say hello, introduce yourself, or come find me if there's ever anything I can help with. I am especially excited for the upcoming season! Fall and winter are my favorite times of year at Voyager. When our community comes alive, old friends return, new friendships are made, and there is always something happening around the resort.

I'm looking forward to seeing familiar faces, meeting all of our new residents and guests, and working together to make this another wonderful season at Voyager. Thank you for welcoming me into this new role. I'm incredibly excited for what's ahead! Please stop me when you see me around the resort and say hello. I can't wait to see you around Voyager!
